Rules

Admission Procedures

a) Horses

The competitions are open to all European participants.

All horses registered in an official Haflinger studbook, in possession of an officially recognised 5 generations pedigree certificate and with maximum 1.56 % of Arab blood, regardless of height at the withers, are eligible.

There are no qualification rules.

During the event all horses must be stabled only in boxes provided by the organiser and may not leave the event area. No horse may be moved out of the area before the end of the event, under the penalty of exclusion of horse and rider or driver.

It is possible to take two starts in one discipline per day.

Categories of horses by age:

- **Young horses:** 4 and 5 years
- **Adult horses:** 6 years and older

For the eventing competition, there is a common class for young and adult horses, with a minimum age of four years.

b) Competitors

- There shall be no breakdown by age or merit. Minimum age for participation is born in 2008 or earlier, there is no maximum age.
- In all classes every participant can compete with maximum three horses or pairs. The organiser is not liable for qualification.
- The rider/driver has to declare a valid national licence for the discipline/s he/she participates in (except hobby competitions).

Participation Conditions and Organisational Information

All participants have to contact the registration office immediately after their arrival at the event area. All horses must pass the veterinary check-up immediately after the arrival.

The arrival is possible starting at 12:00 on Thursday 23 July.

Veterinary conditions will be posted in a separate attachment.

The technical meeting is compulsory for all participants and will take place:

Thursday 23 July 2020 at 19:00

(place of meeting will be announced later)

The organiser strongly recommends the competitors to have an adequate liability insurance coverage.

Haflinger Sport Championship 24–26 July 2020, Vrchovány, Czech Republic

Each participant is liable for the damage that he himself or his animals cause to third parties, to the material assets of the organiser, and to the owner of the property or the tenant. The participation of each driver/rider is at his own risk and with full liability.

Horses have to move around the area only with a bridle, marked with a catalogue number and without a rider when not having a saddle.

Dogs must be kept on a lead throughout the event area. The owners shall be liable for any damage caused by dogs.

More organisational information and final timetable will be published in a special attachment and send to all registered participants.

Preliminary Timetable

Veterinary Check-up will be available continuously during all days. The owner will hand over the Horse passport to the judge's tower before unloading the horse.
